

# **Board of Education Work Session Community Use of School Facilities**

**Monday, April 8, 2019-5:30-7:30 PM  
Carlos F. Vigil Middle School Auditorium  
1260 Industrial Park Road**

There's been many questions this past year by outside organizations that want to use Espanola Public Schools facilities, namely school gymnasiums, and why the district now charges nominal fees. Groups have included EVCA, AAU, YAFL, Little League, Charter Schools, and Adult Leagues.

You are invited to come and learn about changes in Board Policy, NMPSIA (public schools insurance carrier) requirements for Facilities Use, *Every Student Succeeds Act* and *FAPE (free and appropriate education)*, Boundaries policy, etc. School Board Members, Board's Legal Counsel, Superintendent and EPS Staff will be on hand to hear concerns and answer questions.
