Recommendations:

math & reading tutoring a must. Programs for computers, science & technology, math camps. Create AISES programs at all schools
 reading programs, parenting programs to guide young children who are active.
 end of year activities. (field trips)
 have more traditional activities and field trips.
 Tewa program has improved this year @ the Jr & high school. Great Teacher!
 school supplies! (most important)
 field trips to more places but do not allow the kids w/bad grades or behavior problems go. also, my son is speaking more
 Tewa at home because of the high school.
 I believe that the Tewa Program/Teacher could do more than color, more lang & speaking.
